### Letter Of Appreciation

The President of NPO Laligurans Akemi Shrestha came to Nepal for its art, architecture, religion, and culture, and for its promotion in Japan and Japanese people. After the recent massive earthquake that occurred in April 25 and May 12, 2015 in Nepal where several thousands people lost their lives and many more who were made homeless, Akemi Shrestha helped these earthquake victims at different location and distributed essential supplies to affected villages, distributed books and school supplies to government school children and supported our foundation's Earthquake Relief Campaign as well.

On behalf of Ganesh Man Singh Foundation, we would like to thank Akemi Shrestha for donations towards our Earthquake Relief Campaign. Your support helped us tremendously in our mission to assist those affected by the great earthquake of 25 April 2015 and the major aftershock of 12 May 2015.

We look forward to working together on our future missions to rebuild Nepal.

Thank you again for your support!

Sincerely,

Prakash Man Singh
